MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 2 to Contract No. HF-CT-696  
Hycon Mfg. Company, Pasadena, California. Project CHALICE  
(Air Force)

1. This memorandum contains a recommendation submitted for approval of the Deputy Director (Plans). Such recommendation is set forth in Paragraph 5.

2. Contract No. HF-CT-696 is a fixed-price-open-call type contract for use by the Project and Air Force in ordering spare parts, modification kits, components and data for equipment which has been manufactured by the company.

3. Amendment No. 2 allocates \$20,000 additional for use by the Air Force, Customer No. 2. This \$20,000 should be obligated during fiscal year 1959 against "No Year" Air Force money. By concurrence to this memorandum, the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, for each contract.
